Vit. A IU/LB	160,000
Vit. D IU/LB	16,000
Vit. E IU/LB	1760
9B-Vitamins	√
Celmanax®	√
Zinpro Performance Minerals®	√
<i>aspergillus oryzae</i>	√

## “ADDED BIOTIN”

Feeding Directions: 1/4 pound per head daily, as a guide offer one 125# tub for every 10 head. Extra management practices may be required to control consumption in pastures smaller than 50 acres and for horses in pastures with limited forage.

Contains high levels of copper. Do not feed to sheep. Provide roughage, water, and free choice salt.

## AVAILABLE WITH

ClariFly® Larvicide is a feed additive that prevents adult house flies, stable flies, face flies and horn flies from developing in manure. Use of ClariFly® Larvicide helps keep flies from becoming a nuisance to horses and humans.

This product is made in a feed manufacturing facility that DOES NOT handle or store products containing animal proteins prohibited in ruminant feed.
