MFP™Methionine	√

Contains high levels of copper. Do not feed to sheep.

Zinpro Availa®4 provides copper, zinc, manganese, and cobalt from bioavailable organic sources to aid fertility, soft tissue health, bone and joint development, and Vit-B absorption.

MFP™ is a highly bioavailable source of methionine, the first limiting amino acid in cattle on high forage diets.

Beginning January 1, 2018, vitamin A,D & E levels are subject to change due to price and availability.

This product is made in a feed manufacturing facility that DOES NOT handle or store products containing animal proteins prohibited in ruminant feed.
